SB Civil Writ Petition No.8767/2007
Kishan Lal Verma & ors Vs State of Rajasthan & ors
26.10.2007

Hon'ble Mr Justice Ashok Parihar

Mr Rajendra Soni – for petitioners

BY THE COURT:

Petitioners have challenged the order dated 3.10.2007, by which, they have been posted by way of transfer in Primary Schools.

Admittedly, petitioners are holding substantive post of Teacher Gr III. They also having the qualification of BSTC. Learned counsel for the petitioners could not show any circular, rule or law that the petitioners cannot be posted in Primary Schools. There is also no loss of salary or any other benefits in their transfer to Primary Schools. Since it is total discretion of the authorities to transfer/post an employee as per the exigencies of service, no interference, whatsoever, is called for by this court under writ jurisdiction in such matters of transfer. The writ petition is dismissed accordingly as having no merits.
